## STREAM Lesson #2: *A Tale of Two Beasts*

Greetings Casey Crocodiles! It's Mr. Garcia, your school librarian, and I have another fun library lesson for you. I hope that you continue to have fun **READING** while at home.

Remember, if you don't think reading is fun...you just haven't found your favorite type of book or story! My library lessons will all follow the S.T.R.E.A.M. format (Science, Technology, Reading, Engineering, Art, and Math). Happy reading!

Read ***A Tale of Two Beasts*** written and illustrated by Fiona Robertson and narrated by Sarah Silverman. This is a great story told from two different points of view. I hope you enjoy the library STREAM activities that I've chosen to go along with this cute story. Enjoy!

If you own a copy of the book re-read it now. If you don't, you can watch actress and comedian Sarah Silverman read the book by clicking on the link below:
